# THE AMERICAN LEGION

The American Legion was chartered and incorporated by Congress in 1919 as a patriotic veterans organization devoted to mutual helpfulness. It is the nation's largest wartime veterans service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow servicemembers and veterans.

Hundreds of local American Legion programs and activities strengthen the nation one community at a time. American Legion Baseball is one of the nation's most successful amateur athletic programs, educating young people about the importance of sportsmanship, citizenship and fitness. The Operation Comfort Warriors program supports recovering wounded warriors and their families, providing them with "comfort items" and the kind of support that makes a hospital feel a little bit more like home. The Legion also raises millions of dollars in donations at the local, state and national levels to help veterans and their families during times of need and to provide college scholarship opportunities.

The American Legion is a nonpartisan, not-for-profit organization with great political influence perpetuated by its grass-roots involvement in the legislation process from local districts to Capitol Hill.

Legionnaires' sense of obligation to community, state and nation drives an honest advocacy for veterans in Washington. The Legion stands behind the issues most important to the nation's veterans community, backed by resolutions passed by volunteer leadership.

The American Legion's success depends entirely on active membership, participation and volunteerism. The organization belongs to the people it serves and the communities in which it thrives.

## JOIN THE AMERICAN LEGION

Hundreds of local American Legion programs and activities strengthen the nation one community at a time.

American Legion Baseball is one of the nation's most successful amateur athletic programs, educating young people about the importance of sportsmanship, citizenship and fitness. Did you know more than 50 percent of Major League Baseball players are graduates of the program? About 82,000 youth play on Legion-sponsored teams each year.

On May 29, 1946, the American Legion, along with its auxiliary, presented a small struggling organization called the American Heart Association with a \$50,000 grant. The grant inaugurated a nationwide program for the study, prevention and treatment of rheumatic heart disease.

The American Legion wrote the GI Bill of Rights for veterans.

Operation Comfort Warriors is another American Legion program dedicated to meeting the needs of wounded, injured or ill military personnel by providing them with comfort items not usually supplied by the government.

The list of all programs the American Legion has created and supports would be too numerous to go into detail today.

The American Legion family is available to sons and daughters of veterans as well as veterans. To find out if you are eligible, call or visit your local American Legion post. Remember there is strength in numbers, and veterans groups do a lot more than most people perceive.

Official Baseball Rules - Designated Hitter (DH) rule (pitcher only) will be used in tournament play as outlined in the Official Rules of Baseball.

### **GAME LENGTH/MERCY RULES:**

A coin-flip is conducted to determine home team for all games in pool play; higher seed will be home team after the tournament seeding is complete.

Teams will play seven-inning games (weather permitting).

A two-hour time limit will be in effect for all games on Thursday, Friday & Saturday of the tournament; the official time will be noted by the home plate umpire and start from the 1st pitch of the game (NOTE: Both head coaches should verify start time with the umpire). No new innings will start after 2 hours. If tie game after completed inning, the visiting team puts the player that made the last out in the previous inning on second base. All new batters start with 3 balls & 2 strikes. Teams will begin the inning with 0 outs. If 3 extra innings are completed and the game remains tied, both teams will tie and be credited with 1/2 a point for seeding purposes.

No time limit will be used in the championship round on Sunday (weather permitting)

The 10-run mercy rule will be in effect after 4 1/2 or 5 complete innings.

### **BAT RESTRICTIONS:**

Either drop -3 BBCOR-certified or wood bats may be used in the tournament. Using an illegal bat will result to an automatic out to the batter.

### **PITCHING:**

Coaches shall follow established American Legion Baseball pitching limits.

Coaches shall always used best judgment related to pitching restrictions.

NOTE: the tournament will not monitor pitching but expects coaches to adhere to established Legion rules and act responsibly.

### **FORFEITS:**

In the event of a forfeit the winning team will be credited with a 1-0 victory for seeding purposes.

If possible, the tournament committee will resolve forfeits by making scheduling changes.

Forfeits will be used ONLY if schedule changes can not be made to accommodate tournament schedule.

A team who forfeits a pool play game may not advance to play in a playoff or championship game.

# AMERICAN LEGION BASEBALL

American Legion Baseball is a national institution, having thrived through a world war, several national tragedies, and times of great prosperity as well as great despair.

The league still stands behind the traditional values upon which it was founded in 1925.

American Legion Baseball has taught hundreds of thousands of young Americans the importance of sportsmanship, good health and active citizenship. The program is also a promoter of equality, making teammates out of young athletes regardless of their income levels or social standings. American Legion Baseball has been, and continues to be, a stepping stone to manhood for millions of young men who have gone on to serve their country or community, raise families or play the sport at the highest level.

## AMERICAN LEGION CODE OF SPORTSMANSHIP

**I will:**

**Keep the Rules;**

**Keep Faith with my teammates;**

**Keep my temper;**
